### POOLSIDE ENTERTAINMENT with TODD CHAPPELLE

Back by popular demand! Todd Chappelle is a singer-songwriter whose material ranges from the irreverent to the downright silly. After graduating from the University of Delaware in 1993, he spent much of the mid-1990's performing cover songs in bars, coffeehouses, and anywhere else in Delaware and SE Pennsylvania that would have him. He was also a member of the band LEGENDS, a cover band that performed consistently throughout DE, PA and MD for several years before it disbanded in 2005. Left without an outlet for his music, Todd put together a repertoire of humorous songs that are meant for adult audiences without being TOO dirty or offensive. His 2007 CD "I'M FROM DELAWARE" was named the best comedy CD of 2007 by the listeners of 93.7 WSTW.

**12:00 midnight** (yea, we know it's really Saturday, but it seems to confuse people when we put it on Saturday's schedule)

### SPONTANEOUSLY PLANNED MAGIC with MARC LEDERMAN

Spontaneously Planned Magic: It's not spontaneous; it's not planned; and it might not even be magic. If I ask to borrow a \$100 bill, you won't get it back. If I borrow your watch, and it gets smashed, I hope you have insurance. This act is now rabbit-free due to the "incident." You must be at least 18 years old to attend this performance. Void where prohibited. Region 2 RVC Marc Lederman is starting his second term on the AMC, having previously served as RVC2 & then later Secretary for the 2005-2007 AMC. Marc got his start in slight-of-hand while working on the 1997 AG Committee and in 2000 he won the Grand Prix of Magic Award from his local magic group. Marc is a member of the International Brotherhood of Magicians, Society of American Magicians, and the Magicians' Alliance of Eastern States.
